Words & Music by Danielle Bisutti (Copyright © ASCAP 2006)

Ten thousand girls
A dime a dozen
Dangled carrots
Gonna keep ya comin'
You're all dressed up
For the price of fame
You can't touch platinum
"Till you dirty shame

But I wanna see you on your knees
I wanna see you on the floor
I like it better with your head down now
Begging me for more

Insatiable Carnivore
You always come back for more
Insatiable Carnivore
Don't you love your little whore
But it's never enough
No it's never enough
No it's never quite enough

Juxtaposition
Caged up and bent
You listen when I say
You're sitting on the rent
So why fight it
Give in and sell
Sex for favors
Got me under your spell
Progressive woman
Cash in the "Ms."
Bend over baby
Can you live through this?

You'd trade a melody
As I eat of your flesh
You'd strip down naked
Just to watch me confess
I'll take of your body

To fuel my faux flame
Then burn you to ashes
And forget of your name
Progressive woman
Cash in the "Ms."
Bend over baby
Can you live through this?

Delusional baby
You still cant see
You're an Insatiable Carnivore
Just like me...
